

## Why become a part of us?

February 19, 2017

### Living your heritage

Did you see the **VIRA** blood running in the veins of the young people on their first return to rehearsals of familiar dances, last Saturday?

Now let's ALL encourage them and support them by joining in - it is our Portuguese legacy! Don't miss out on this opportunity.

### DANCE and SUPPORT - The Reward is invaluable!

The leaders, Kevin and Nicole, invite everyone interested to participate!

The less agile will enjoy the slower dances and marches while cheering-on the fast and vibrant younger feet.

### Who Can JOIN?

Anyone with an interest in being a part of a Portuguese Folk Dance Group, regardless of age, gender, or ethnicity.

### Normal schedule:

8 PM on Saturdays, after the regular dinner, with exceptions of dinner dance events. The little ones rehearse first so they can leave early.
