PASA offers three types of scholarships for students entering or enrolled in a higher education institution:

- **High School Scholarship** – for high school seniors entering College, in the amount of up to \$1,000

- **Technical Scholarship** – for high school seniors, or students already enrolled in a trade/vocational or multi-year institution, in the amount of up to \$500.

Each type has specific requirements. A student may only receive one lifetime scholarship, but may reapply every year if has not yet received one. Awards are normally presented at the yearly “Day in Portugal” celebration in June. If there are no applicants the funds will remain in the Scholarship Fund.

Applicant needs to complete the form corresponding to the eligibility requirements. Basic Requirements for any of the three types include:

In a case of withdrawal, any unused funds shall be returned to PASA.
